PZN: 19909316

THC/CBD

22,7 % THC / 1% CBD

Country of Origin

Portugal

Lineage

GMO x Mango Montage

Genetic

Hybrid balanced

Effects

Sleepy, Relaxed, Euphoric

Primary Terpenes

Myrcene, Pinene, Caryophyllene

Aroma

Muel Fuel offers a robust aroma characterized by deep, earthy notes reminiscent of pine forests, intertwined with a subtle sweetness akin to ripe berries.

A+ LOST CITY NO.1 - WIWA

Wiwa is a sativa-dominant hybrid resulting from the cross between Mango Biche, a 100% Colombian sativa landrace known for its vigorous growth and citrus terpenes, and OG Kush, a Californian indica prized for its heavy resin production and deeply relaxing effects.

THC/CBD

21 – 24 % THC / 1 % CBD

Country of Origin

Colombia

Lineage

Mango Biche x OG Kush

Effects

Focused, Motivated, Balanced

Genetic

Hybrid balanced

Aroma

Fresh, tangy, and complex. Its aroma blends dominant notes of green mango and lemon peel with a deep earthy-herbal background characteristic of the Kush lineage.

Primary Terpenes

Myrcene, Limonene, Humulene

A+ LOST CITY NO.2 - KÀGABA

A cross between Colombian Gold, a Santa Marta sativa landrace with herbal and citrus traits, and Cuban Haze, a tropical haze-type cultivar with strong psychoactive effect and extended flowering. The result is a tall, vigorous plant with a spicy floral profile.

THC/CBD

22 – 24 % THC / 1% CBD

Country of Origin

Colombia

Lineage

Colombian Gold x Cuban Haze

Effects

Focused, Uplifted, Creative

Genetic

Sativa dominant - Hybrid

Primary Terpenes

Limonene, Ocimene,
Caryophyllene, Pinene

Aroma

Citrusy floral aroma with fresh pine and tropical spice undertones. The flavor is sweet and tangy, finishing herbal and clean.

A+ LOST CITY NO.3 - ARHUACO

Arhuaco is the result of crossing a resin-rich indica line selected for its robust structure and climate resilience with a Kush-profile genetic known for dense trichomes and earthy-spicy aroma. The result is a compact, vigorous plant with a deep body effect and high extraction value.

THC/CBD

22 – 24 % THC / 1% CBD

Country of Origin

Colombia

Lineage

Fatso x Zuava

Effects

Focused, Uplifted, Creative

Genetic

Indica dominant - Hybrid

Aroma

Strong, earthy aroma with notes of caramel, black pepper, and nutmeg. On the palate, it delivers sweet and spicy flavors, with a creamy mouthfeel and an herbal finish reminiscent of classic Kush strains.

Primary Terpenes

Caryophyllene, Humulene, Myrcene, Linalool, Pinene
